

## Celebration Bears

Celebration Bears are special bears that are handmade by Hospice of the Red River Valley volunteers. The bears are made from the clothing of a loved one who has passed away so family members may have a keepsake to remember and celebrate their memory. Families of Hospice of the Red River Valley's patients may request bears up to 13 months after the death of their loved one.

If you're interested in being a volunteer Celebration Bear sewer or a different type of volunteer at Hospice of the Red River Valley, please contact us! Learn more by calling (800) 237-4629 or visiting [hrrv.org/volunteer](http://hrrv.org/volunteer).

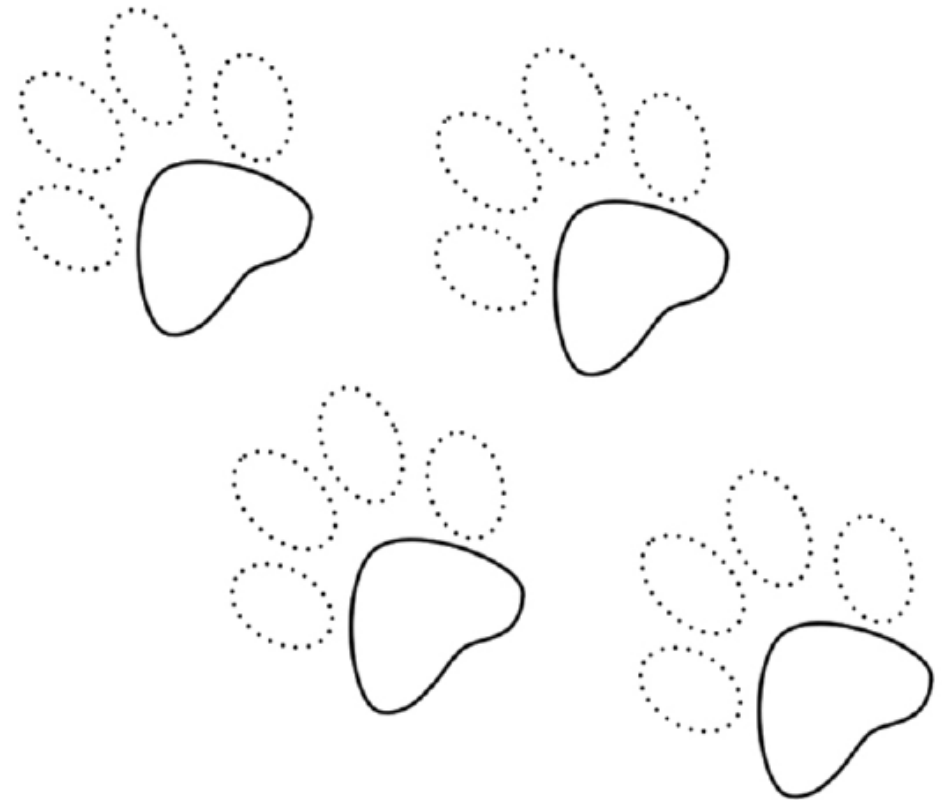

**"This is a wonderful day. I've never seen this one before."**
